

Amber Xtreme™

Formula 16000

Amber Xtreme™

The addition of Amber Xtreme™ accentuates the warm cozy amber body of the accord and creates a sweet cookies-and-cream aspect.

Amber Xtreme™

Formula 16001

Amber Xtreme™

Amber Xtreme™ helps lift the fresh juicy citrus notes with a clean fresh watery body. The citrus enhancing effect without imparting too much of the amber, shows the versatility of this molecule.

Amber Xtreme™

Formula 16014

Amber Xtreme™

Amber Xtreme™ provides an overall push to the citrus complex, defining more of the lemon rind/zest, pulpy fresh note. This resembles the odor which is emitted via the steam in a hot cup of tea with lemon.

Top Notes

Fresh, Citrus
